**"The government that I lead will prioritise efforts to enhance integrity and good governance."**

*YAB Tan Sri Muhyiddin Yassin, PM of Malaysia*

Those words are the pledge given by the YAB Prime Minister when he took over the government of Malaysia on 2nd March 2020. It indicates the dawn of the new commitment to internalise good governance as a culture in every government agency in order to enhance its performance and to regain public trust.

This book: **"Good Corporate Governance: 7 Essential Initiatives to Enhance Performance and Public Trust."** is a valuable document that will guide the governing bodies: board of directors; councilors; executive management and supporting personnel; managers; executives; and civil servants to practice diligently good governance. It is based on the implementation of good internationally recognised governance practices with Malaysian Public Sector scenario and guidelines.

This book is useful as a reference to leaders, practitioners, policymakers, regulators, researchers, academics and students in their endeavour to understand governance and to internalise governance as their organisational culture.
