Preface

Guidelines Research Paper Final Year was created to provide the learners with the guide to prepare a research project. Hence this guideline serves as a useful reference for student to understand about the flow how to write a research project. This guideline aims to make the learning student interesting, easy and applicable to writing a research. It presents the contents in a simple way to student. It introduces the concept and flow of research to the students using engaging examples. In preparing research project, we truly believe in the importance of understanding and applying the concept acquired rather than memorizing and regurgitating facts. We hope you will enjoy this book.
