PREFACE

The FKP Undergraduate Colloquium 2022/2023 was held in Kampus Kota, Universiti Malaysia Kelantan on 30 January 2023. It was a delightful event with consists of students and lecturers and had many fruitful discussions and exchanges that contributed to the success of the colloquium.

The main objectives of the FKP Undergraduate Colloquium 2022/2023 with the theme “5th Multidisciplinary Research on The Entrepreneurship and Business Colloquium” are to expose the final year students to article writing, colloquium presentation and to enhance the understanding and enthusiasm of final year students to high impact studies and the documentation of their respective studies.

The FKP Undergraduate Colloquium 2022/2023 especially in Logistics with the subtheme “Transformation of Technology in the Transportation Industry” provides the platform for Logistics undergraduate students to engage, collaborate and disseminate ideas and research findings across a broad spectrum of audiences. Moreover, it gives knowledge to them about high-impact of publications and enables them to encourage their understanding of basic research on issues in current logistics.

All in all, the FKP Undergraduate Colloquium 2022/2023 was very successful. The editors would like to express their gratitude to all participants and the committees that have helped in ensuring the smooth sailing of making the colloquium a reality.
