PREFACE

The FKP Undergraduate Colloquium 2022/2023 was held in Kampus Kota, Universiti Malaysia Kelantan on 30 January 2023. It was a delightful event with consists of students and lecturers and had many fruitful discussions and exchanges that contributed to the success of the colloquium.

The main objectives of the FKP Undergraduate Colloquium 2022/2023 with the theme “5th Multidisciplinary Research on The Entrepreneurship and Business Colloquium” are to be a platform for students to present and publish their works as well as to share their research progress with their colleagues and expert. Moreover, it gives knowledge to them about high impact of publications and enables them to encourage their understanding of basic research on issues in current logistics. 16 papers for the field of Transformation of Technology in the Supply Chain Management and Logistics Industry from the Logistic and Distributive Trade students were presented during the colloquium.

All in all, the FKP Undergraduate Colloquium 2022/2023 was very successful. The editors would like to express their gratitude to all participants and the committees that have helped in ensuring the smooth sailing of making the colloquium a reality.
