**AUTHORS' BIOGRAPHIES**

## PREFACE

This level 2 book is written as a continuation of level 1. The students are still exposed to the basics of language skills to communicate with more extensive vocabulary according to certain topics. This book is well-prepared based on the Common European Framework Standard (CEFR) syllabus (A1).

It contains FIVE (5) chapters that cover the Arabic Language Level 2 syllabus of UMK. This book generally focuses on Arabic words about hobbies, ambitions, numbers 100-1000, clothes, times, transportation, and modern devices. Students learn to introduce and describe their study place, lifestyle in university and daily routines. This Arabic textbook also contains exercises to drill the four language skills as required for the level CEFR A1.

The authors would like to record his gratitude to all friends who have helped as well as provided insights in preparing this book. Thank you to the Dean of Faculty of Language Studies and Human Development, YBhg. Dr. Burhan bin Che Daud and the Head of the Third Language Department, YBrs. Dr. Nurul Fatimah binti Hanapi, for their constant encouragement and support until the publication of this book.

Thanks also to the Universiti Malaysia Kelantan Publisher for successfully publishing this book. May this book bring great benefit to all readers and spur more interest to master the Arabic language.
