Sustainable Business Development

Managing Change in an International Context

Series Editors

Arie Verkuil, Institute of Management, University of Applied Sciences and Arts,
Windisch, Switzerland

Uta Milow, Institute of Management, University of Applied Sciences and Arts,
Windisch, Switzerland

Andreas Hinz, Institute of Management, University of Applied Sciences and Arts,
Windisch, Switzerland

Mahmoud Al-kilani, Institute of Management, University of Applied Sciences and
Arts, Windisch, Switzerland

This open access book series focuses on the key success factors for sustainable business transformation, including the efficient use of resources, the systematic consideration of relevant aspects and technologies of digitalization, and the involvement of all relevant stakeholders. Furthermore, it identifies risks and opportunities for businesses arising from the climate crisis and digitalization and explores solutions to prevent or minimize negative effects. The series takes a multi-faceted, multi-disciplinary approach by integrating economic, sustainable, and technological perspectives. It welcomes monographs and contributed volumes from senior and promising young scholars.
